„We did the Budapest culinary walking tour on our second day and were introduced to so many things! Our guide took us everywhere! We had so much food that we couldn't even eat it all! New places, new drinks, new food intertwined with history! We loved it!”

„We chose the Eger wine tour and our guide was wonderful, the car was a nice clean Mercedes and the drive was easy and comfortable. Joseph told us a great deal about Hungary and the countryside.

We had a wine tasting at one of the local vineyards. It was superb, 6 different wines and then off to lunch at a local restaurant, lunch was very nice. Then a stroll around the city and then to second wine tasting and tour.

The wine tasting events and tours were way better than anything we have had in the States.

The drive back to the hotel was easy and comfortable. Many thanks to Joseph for wonderful, wonderful day!”

„We did the full day Lake Balaton private wine tour and was not disappointed. Our guide picked us up promptly at 0900 from the hotel. The drive was approximately 1.5 hours from the city center. He asked if we had our swim suits with us as we would be able to take a dip in Lake Balaton if we chose.

The day was perfect, from the first winery tour to the wine, lunch and a dip in Lake Balaton. We stopped in quaint Tihany for some exquisite views of the Lake. The lavender was in bloom for an added surprise. Sweet Travel provided prompt response to all communication. Our guide was very attention and knowledgeable. A definite recommendation”

„We did the Etyek private wine tour. Excellent tour and wines were fabulous. We were transported in a comfortable car and were hosted by the owner of the first vineyard, who gave a very personal insight into her business and her passion for wine. The food and wines were very good. Excellent experience.”
